## Parish Hall

MANY thank you's to the following people who have worked hard on this project: Sandy Kynerd, Ruthann Wasil, Gil Fritzsche, Joe Dmitruk, Jim Ramunni, Mark Miller, EJ Sarian and sons, Derek Wilkenson, Frank Kynerd, Marcia Day, Heather Hill, Eric Czerny, Sharon Karr, Sharon Stricko, Sally Morris, Lisa Czerny and children, Bill Ingham, Cheryl Ingham, Woody Heabler and son, Greg Wasil, Jan Fritzsche. Sure hope we did not forget anyone.

Several families have made donations to lower the cost to the church for the work done. Any donations would be appreciated; mark your envelope Parish Hall.

We use this hall for our own personal use plus we allow others to use it so this was a much needed improvement. Makes us want to start painting other areas!

## Stewardship Update

Your Finance Committee met after the first three months of 2013 and we would like to report the following to our parish: We started the year with a deficit budget and we are at a budget-deficit pace right now.

We have tried to cut expenses as much as possible. Our water cost has increased and while natural gas cost is lower, we had a very cold winter. Our revenue of pledges from parishioners and hall rentals is not as much as our expenses, thus our deficit budget.

We will be sending out a Stewardship letter in May, asking if you as parishioners can and will see a way to increase your pledge. Please take a moment now to think about that possibility, read the letter you receive in May and give it thought and prayer.

Thank you for your thoughts and prayers.

Ruthann Wasil, Sr. Warden

## Financial Update

From now on every month I will be posting a summary of the previous month’s financial report, plus where we are year to date. To give a little background total revenues include everything from pledges to rental income and recycling. Any money that comes into the church besides outreach goes into our revenues. Our expenses are totaled up from salaries, utilities, maintenance and office supplies. Everything we spend money on goes there. The net operating total is the difference between our revenues and expenses. If you see a ( ) around a number that means it is negative and our expenses are greater than our revenue. For a more detailed report please look to the bulletin board where you can find the full report. If you have any question please ask me.

God Bless,  
Joel Kunesh
