Good Shepherd Update

Sandy Kynerd

Our Good Shepherd Atriums will open on Sunday, September 8th at 9:45 AM.

3 yr olds through & including Kindergartners please meet in the Good Shepherd Atrium upstairs.

1st graders through & including 10 yr olds please meet in the True Vine Atrium downstairs.

We pray the Holy Spirit continues to guide & encourage our Catechists and our children again in this our 8th year as we continue to seek and to know and to fall in love with the Good Shepherd.

Falling In Love With God

Nothing is more practical than finding God, that is, than falling in love in a quite absolute, final way. What you are in love with, what seizes your imagination will affect everything.

It will decide what will get you out of the bed in the morning, what you will do with your evenings, how you will spend your weekends, what you read, who you know, what breaks your heart, and what amazes you with joy and gratitude.

Fall in love, stay in love, and it will decide everything.
-Pedro Arrupe, S.J.-

Hope and Pray to see all of our All Saints children this year. Thank you to all our parents and grandparents that bring them on Sundays.

God's Peace and Blessings!!!

Sandy Kynerd, Jan Fritzsche, Lisa Czerny

Evening Bible Study

October Fest of Parables: Ever wonder how the parables Jesus told could relate to your own life? Mark your calendars to come to an Evening Bible Study Series on the five Wednesdays of October from 7-8 pm. We will watch a short video depicting a modern version of a parable and then read through the parable Jesus told. Each evening is a different parable so come for as many weeks as you can!

September Monthly Breakfast

On September 29 9:30 am the Youth Group will be sharing their experiences on their mission trip this past summer during our September monthly breakfast. Sign up to bring something to pass and come hear how God worked in and through them in West Virginia.

Youth Group News

Mark Miller

The Youth Group will begin acolyte duties in September. In addition, they will continue to help out at the monthly senior dinners and be helping at All Faiths Pantry. All Faiths Pantry runs a local program that packs and delivers groceries each month to elderly people and others with challenges to mobility at no cost to them.

In July, several members of the All Saints Youth Group including myself and Robin Sarian attended the Brother's Keeper mission conference in Ripley, West Virginia.

During the five day conference, our group tore down an existing and re-built a longer and wider wheelchair ramp. It was very hard work. We used circular saws, power drills and hammers & nails. The most challenging work was using a manual post hold digger for the over dozen holes for the posts to support the ramp. We were fortunate to have a great crew chief who was skilled and very patient with everyone. Prior to the trip, my idea of manual labor was plugging in a USB port. Tearing down and

building a wooden wheel chair ramp from scratch was new to all of us.

The week also included other activities such as swimming, water slides, a nightly worship service including a live band playing contemporary Christian music followed by a large campfire.

Our group went with members of the youth group from St. Peters Episcopal Church in Lakewood. This is the same church with whom we have participated in the winter Homeless Sleepout.

All in all, the kids had a fantastic experience. My son called it "the best week of his life". Another youth has been literally counting the number of days until we go back next year. The experience was that special.

The plan is at the September monthly breakfast, members of the youth group will talk about their experience and hopefully, we will have a brief slide show of pictures from the trip.

All Saints Financial Report through July 2013

Below is a condensed version of our Analysis of Revenues and Expenses thru July 2013. Our expenses are just under what we budgeted by \$1647.77. Our revenues are down by \$5310.96. But budgeted revenues were and are still short of what we need to pay all of our bills ourselves. Revenues do not show left over money from the previous year or money removed from our Diocesan Investment Account to pay bills. Unfortunately, the Diocesan Investment Account is not bottomless. The Second Half Stewardship letter helped with people increasing their pledges or giving a one time donation. Others have quietly been taking care of certain items: wine, wafers, liquid wax for the torches, tea candles, Good Shepherd supplies, etc. Normally by now we would be ordering our 3rd case of wine and to date, we have only ordered one, a savings of about \$150.00--every cent counts. What

else could we do? We have a rummage sale coming up in November and we will need people to work it. We would like to start up the monthly go out to dinner program--can you help with setting that up?

The Rev. Brad Purdom, Canon for Congregations, stated that God wasn't done with us on this corner in Parma. Did you join us for the 10:30 service today? We baptised little Liam Franko and blessed the backpacks of our students and lesson plans of our teachers. What a great morning! Good Shepherd classes begin in two weeks, our Senior Dinners begin the same day and those dinners have been going strong for 30 plus years. We have actively supported the Outreach ministries each and every month and soon, we will be blessing underwear for the VA residents. And worship is strong at All Saints. Yup, Brad Purdom is right.

Coffee Hour Update. More than half the year has pasted since I spoke at our annual meeting about donations in lieu of money to support coffee hour. I want to thank everyone who is providing these donations!! It is exciting to go in weekly and see what surprises might be awaiting me! Thank you all for your donations of the regular coffee, the variety of coffee creamers, the napkins, hot chocolate, diet sweetener, tea bags, decaffeinated coffee, and coffee stirrers.

Because of your donations we have only had to buy supplies once this year! Coffee hour currently is in need of regular hot chocolate. While we have plenty of regular coffee, do not forget the decaffeinated coffee. Although there is no immediate need we have much lower supplies of the decaffeinated coffee. We have more than enough sugar and all types of diet sweetener to last a long time.

Since you have been donating products instead of money it saves someone from having to go out and buy our supplies! Thank you all so much. It has not gone unnoticed!
